

## **VEHICLE PLATFORM**

### **Manufacturer Specifications**

Ram ProMaster 2500 High Roof

3.6L V6 24-Valve VVT / 275 hp / 250 lb-ft

9-speed automatic transmission

159" wheelbase

### **Safety Features**

Airbags / occupant protection

Anti-lock braking system

Traction control / stability control

Side-impact protection

Parking / reversing assist

Tire pressure monitoring

Blind spot monitoring / rear cross-path detection

## **INTERIOR BUILD – STRUCTURE & MATERIALS**

### **Flooring System**

Moisture-resistant subfloor

Marine-grade, pet-friendly, slip-resistant flooring

PVC trim sealed and caulked in place

Aluminum threshold fully sealed and securely fastened

### **Wall & Ceiling Systems**

Aluminum & wood hybrid framing

Laminate wall skins - easy and fast to clean

Industrial-grade spray foam insulation

Pro Value Series Recessed LED lighting

Adjustable color temperature

800 lumens / 12 watts

## **INTERIOR BUILD – STRUCTURE & MATERIALS**

### **Interior Space**

Salon height: 73"

Salon length: 81"

Salon width: up to ~68"

### **Cabinetry**

Custom-built plywood cabinets with laminate finish

PVC waterproof liner (glued & sealed)

Stainless steel hinges & hardware

Grooming supply storage

Latch system on all cabinet doors

### **Grooming Table Area**

Reinforced mounting points

Table-ready power

Moisture-protected flooring

Herdio 5.25" 300W Bluetooth speakers

Three cabinets designed for optimal storage

6-drawer utility toolbox featuring rubber drawer liners

## **WATER SYSTEM**

### **Manufacturer Specifications (Plumbing & Components)**

#### **Fresh Water**

65-gallon fresh water tank

SEAFLO 33-Series water pump (3.3 GPM)

NSF-rated water lines

Quick-fill inlet

Water level sensor with OLED display

## **WATER SYSTEM**

### **Manufacturer Specifications (Plumbing & Components)**

#### **Waste Water**

25-gallon grey tank

Easy-access dump

Water level sensor with OLED display

#### **Water Heater**

EcoSmart EcoMini 6

6-gallon capacity

Adjustable temperature

Integrated pressure relief valve

120v / 12A / 1440W

#### **Plumbing Fixtures**

Stainless sprayer system

High-pressure wash hose

Quick-click connection

Dedicated hot/cold mix valve

P-Trap clean-out

Anti-backflow

## **GROOMING EQUIPMENT**

### **Manufacturer Specifications – Included Equipment Tub**

VEVOR 50" Professional Stainless Steel Grooming Tub

Multi-anchor tie-downs

Large capacity

Rust & scratch resistant

Easy-clean surface

## **GROOMING EQUIPMENT**

### **Manufacturer Specifications - Included Equipment**

#### **Grooming Table**

Paw Brothers Pro Low-Low Electric Table

Safe-T Grid top

11"–42" height range

Heavy-duty 250 lb motor

Full overhead grooming arm

#### **Dryer**

K9 III Blower

Dedicated 20A circuit

High-velocity airflow

Dual-speed

Multiple adapter tips

Vented cabinet with hose routing

#### **Shop Vacuum**

Ridgid NXT

14-gallon capacity

6.0 Peak HP

Locking hose

Multiple attachments

## **ELECTRICAL SYSTEM**

### **Manufacturer Specifications - Electrical Infrastructure**

#### **Power System**

(2) Victron MultiPlus-II 2x120V Inverter/Chargers

5000VA (10,000VA max output)

Programmable input/output limits

Parallel configuration

## **ELECTRICAL SYSTEM**

### **Manufacturer Specifications - Electrical Infrastructure**

#### **Battery Bank**

12.8v 600Ah LiFePO4

Four-battery parallel configuration

Total storage: 30.72 kWh

600A bus bars

Heavy-gauge cabling

Victron BMV-712 monitoring

#### **Distribution**

Custom breaker panel

Labeled circuits

Standard switches & outlets

#### **Charging**

Automatic shore-power charging

Requires dedicated 110V outlet (minimum 20A)

Configurable charging up to 240A

## **VENTILATION & CLIMATE**

Dometic FanTastic roof vent with thermostat

Reversible airflow

Variable speed settings

Additional 4" battery-bay exhaust

11,000 BTU high-efficiency rooftop AC

Fully insulated interior & battery cabin

Industrial-grade spray foam
